Mrs. Jennifer Bass represents every student's dream for a teacher-she cares-she will go the last mile and then one more for every student that she teaches. Mrs. Bass has been a teacher first, friend and mentor to this senior class. She has dried our tears and shared our happy times. Through her eyes we have seen our lives grow and develop into the future successful citizens of tomorrow. For these reasons and thousands more, we the Senior Class of 2002, dedicate this yearbook to Mrs. Jennifer Bass.

FOREIGN

This is Laura's family in Brazil

Hi, you can tell from the map, that I'm from Brasil. My name is Laura Queiroz and I'm 17 years old. I came to the U.S. to learn English. I'm getting to know a new and different culture. The people here are very cool and friendly. I'm living with Jason and Carey Bans, they are very nice and I love them. I miss my family and friends in Brazil a lot. There, I had a lot of different things to do every day. But it is OK, I'm enjoying my stay here and I hope to return to Brazil with more knowledge and friends.

Brazil

Ana Laura's family and friends

OI !!! I'm very happy to be here!!!! My name is Ana Laura and I'm from Brazil. I'm living with two wonderful people: Theresa Johnson and Theresa Smith, I love them both. Here is very different from Brazil-the people, the food, the way of life, everything, but I'm trying to get use to it. I'm really enjoying being here meeting nice people and making new friends. I hope when I go back to Brazil, I can share this great experience with everybody !!!!

This is Laura's host family, and above, her friends at school in Brazil.

This is Ana Laura's host family, and her friends in Brazil, having fun at a party.

EXCHANGE

This is a map of Germany. Eutin is in the north of Germany
and only 15 minutes away from the Baltic Sea.

This is my cap & gown picture. Unfortunately, I cannot really graduate from Bay High as a foreign exchange student

This picture is to give you a little impression of Eutin. It is a small charming and picturesque little town with lakes around it. This right here is a part of the city's park.

Ana & I were laughing a lot while having fun pictures taken after we were through with our regular senior portraits.

Hi there!

These pages are to introduce us, the foreign exchange students, to you. For those of you who don't know, my name is Elena and I'm 18. Though I was born in Russia, I am representing Germany since I moved there and became a German citizen many years ago. Being part of two different cultures is a great gift. I think this multicultural way of growing up was a main reason of my willingness to spend this year in the US. The more you know of the world, the more you want to see and experience at least some parts of this wonderful place called earth. I would like to thank my beloved parents for making this story possible for me. I would also like to thank my lovely hostfamily, Dörby & little Carlo Staucha, for giving me such a warm and beautiful home while I'm here. The US is very different from Europe, as I might have explained to some of you in detail. It was a big change for me. You come to a foreign country and you don't know anybody, you leave all of your family and friends in your home country. Being a foreign exchange student is not easy. That's why I would like to thank those of you who put us up and made this stay a wonderful time. I hope you enjoyed having us here as much as we enjoyed being here."

This is me with my lovely hostessess Polly and my hostkister Enzo on a trip to New Orleans. I'm so glad I've been staying with you! "Thank you much & I love you". (in Enzo's words)

Knechtel, Elmer

Due to many requests I decided to put this picture of me and my brother, Evan on this page. I don't really understand why many of you are so crazy for him because he's my brother, you know...and y'all haven't met him yet. nnnnnnnnnnnnnnnnnn, just kidding. He's fine.

This is me and my girls Joionko, Jana, Berta, and Alita chillin' on the beach back in Germany and enjoying the sun. Of course I miss them and all the people back home, but I'm glad I don't get really homesick.

### Miss Carrie Smith

Bay High is very proud that our Teacher of the Year, Ms. Carrie Smith, was chosen as the Teacher of the Year for the entire Bay- Waveland School District. Ms. Smith has taught English for 28 years, with all but two of those years spent at Bay High School. She has taught all levels of secondary English, from seventh grade to Advanced Placement Senior English. This is Ms. Smith's second time to be honored as Bay High Teacher of the Year (1990), and she has been named Star Teacher three times. She has served as Student Council sponsor, class sponsor, and has coached local, district, and state winners of the American Legion Oratorical Contest. We thank Ms. Smith for her years of dedicated service and quality instruction at Bay High School. She has made a difference and touched many lives during her illustrious career.

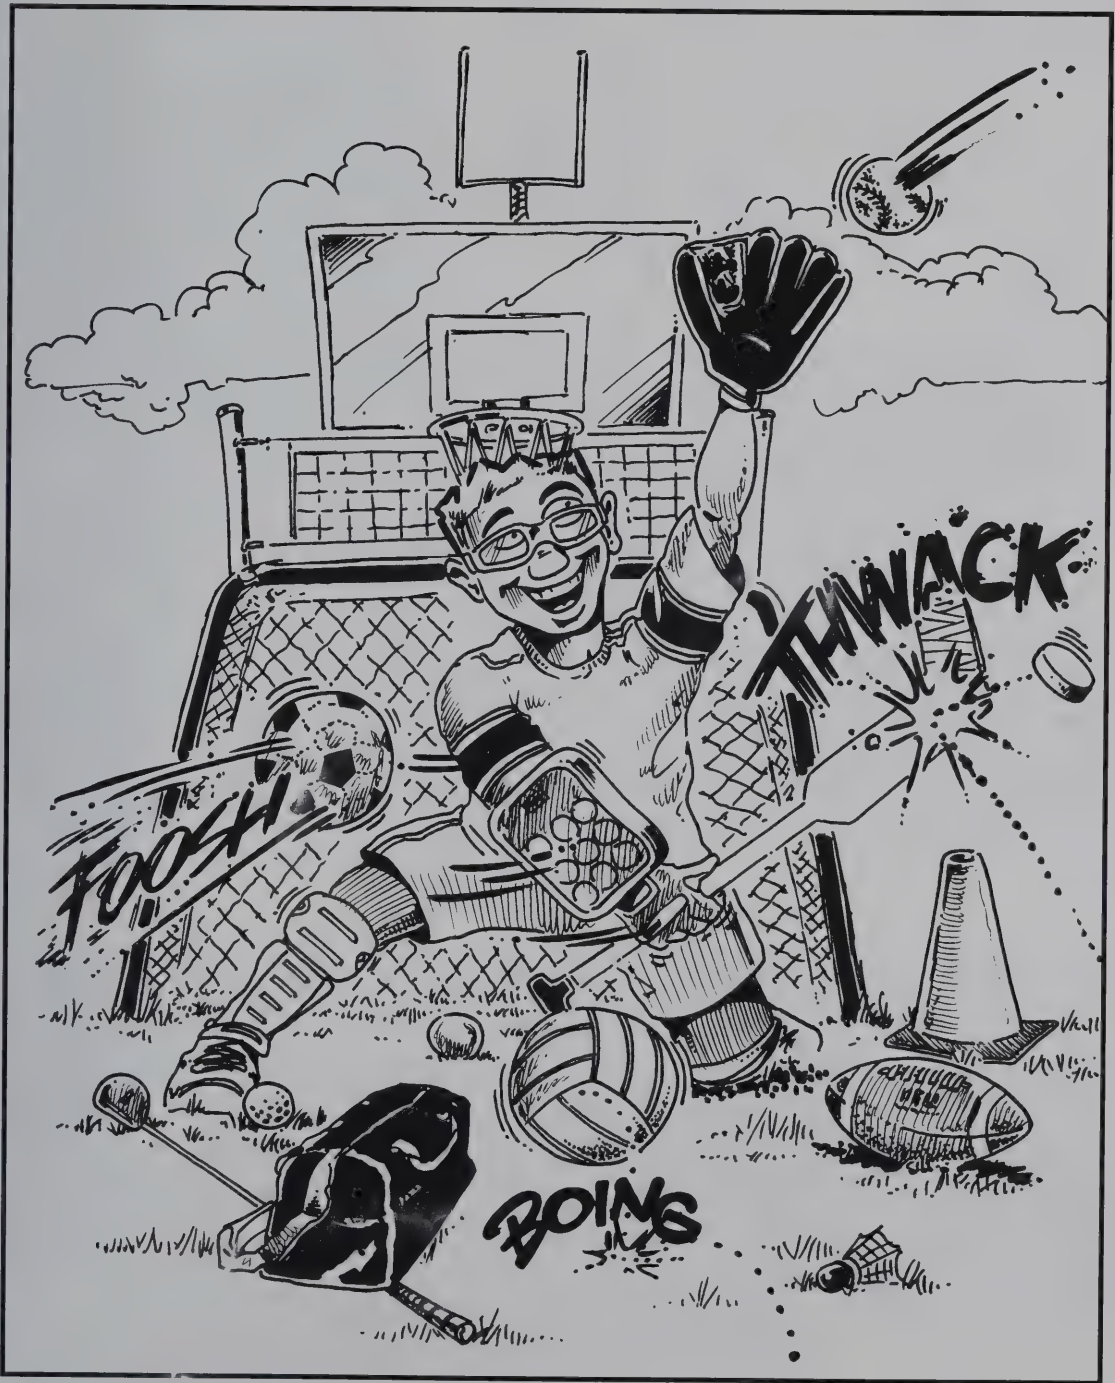

### A MESSAGE FROM THE ATHLETIC DIRECTOR

The athletic program at Bay High School strives to develop student athletes academically and athletically with a total commitment of aiding their efforts to graduate from Bay High and become productive citizens. One of the missions of our athletic program at Bay High is to serve as an extension of the classroom. There are strong lessons to be learned in athletics such as setting and maintaining high standards of sportsmanship, ethics, and integrity in our school and our society. The value of the lessons learned by exhibiting good sportsmanship will last a lifetime. Athletic events are an extension of the school day, and each athlete is taught and expected to demonstrate respectful behavior, self-control, and self-discipline in the athletic arena. It is the coaching staff's intention to always set a good example for our athletes to follow, exemplifying the highest moral, and ethical behavior and to instill in our athletes to accept seriously the responsibility and privilege of representing our school and our community. Our student athletes are to be commended for taking on the responsibility of living up to the high standards set forth by our school athletic program.

tudents against destructive decisions

The origin of SADD can be traced back to 1981. A school in Wayland, Massachusetts had experienced a tragic loss of two students within a week of each other to alcohol-related car crashes. Mr. Robert Anastas, a teacher, decided to establish a way to stop the abuse. He organized a group of students led by students and a "Contract For Life" was born. SADD's message was spread over radio and television and was launched on a national level in September of 1982. Because of its huge public support, SADD has spread to all fifty states, Canada and beyond. Empowerment is the foundation of SADD. The idea of empowerment serves to build students' confidence and create changes and positive behavior which will result in healthy life choices. SADD offers life lessons which will surely lead teenagers of all ages through the twenty-first century.

*A lot of things are happening now in our lives, and that means our friendship will be going through changes, too. But we've been through a lot together, and our friendship has not only withstood changes, but has even gotten better because of them. The amount of time we spend together may change, but never the amount of fun we have in that time. The kinds of things we share may change, but not the enjoyment we get out of sharing and being close. The ideas and concerns we discuss may change, but not the friendship that lies behind those words. Though some things won't be the same now, I know we will always be friends.*

## Then Marjorie, Now

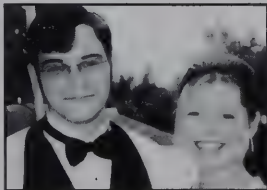

From the moment you were placed in my arms you have changed and enriched my life in ways I could never have imagined. You have been my sunshine, my alarm clock, (you are such an early bird, I don't think I've used one more than three times since you were born!) and a continual presence urging me to strive higher that I might be an example for you. I love you very much, and I am more proud of you than you will ever know.

As you graduate from high school you are embarking upon a great wide open adventure. There is much awaiting you, and I know that you will be successful in all you attempt. You know how to work hard and achieve your goals; now, as you go out into the world I pray that you will be kind and patient and open your heart to the world.

Kahlil Gibran wrote of children that "You may give them your love but not your thoughts, for they have their own thoughts. You may house their bodies but not their souls, for their souls dwell in the house of tomorrow, which you cannot visit, not even in your dreams, you may strive to be like them, but seek not to make them like you. For life goes not backward nor tarries with yesterday."

We Love You,  
Mama, Daddy, Marshall, and April

# The Many Faces of Joshua

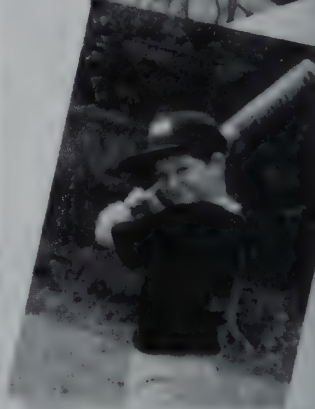

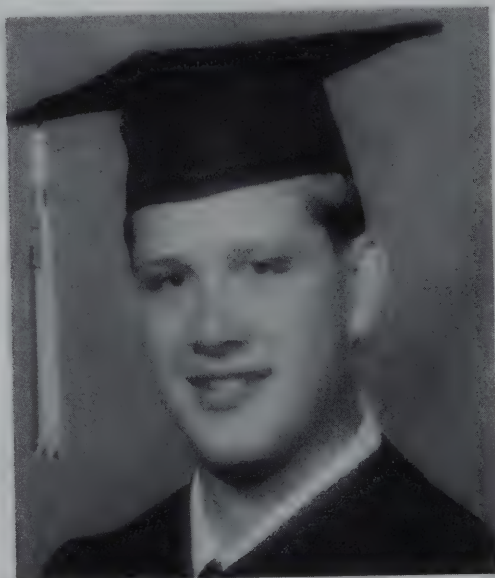

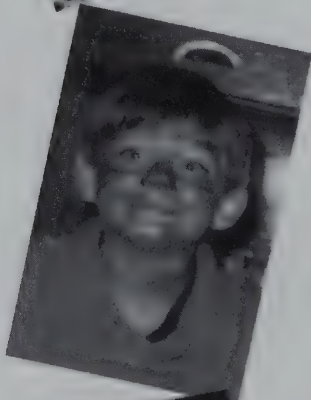

Joshua,

We Love you and are very proud of  
who you have become. I thank you for  
the Godly example you have been.  
And we know you will continue that  
example throughout your life. God  
has a special plan for you!

Love

Mom, Dad, Ty & Tabitha

Ps 1:1-2

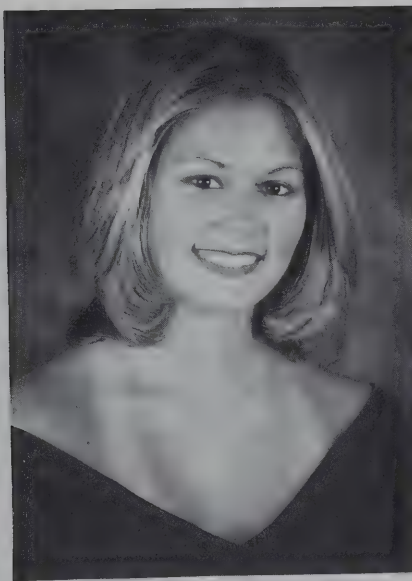

Blessed is the man

Who walks not in the counsel of the ungodly,  
Nor stands in the path of sinners,  
Nor sits in the seat of the scornful;

But his delight is in the law of the LORD,  
And in His law he meditates day and night.

Kens.

You are now and always will be our special angel. Dad and I are so proud of the beautiful young lady you have become.

Our wish would be that your life be filled with only happiness and success. In reality we know this will not be the case, as during our lives we must face good times as well as bad. We also know however that when we face these rough spots with the love of family and friends and a strong faith in God we will come through them a stronger & better person. You will come to realize that as you look back through you life many of your fondest memories come from facing the most trying times of your life.

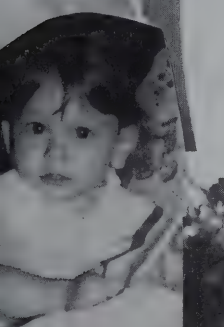

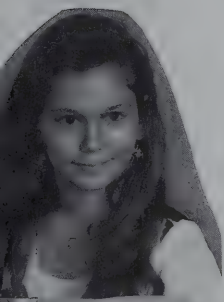

Begin each day with love in your heart, be good and kind, take times to enjoy the simple things in life and always keep your strong faith in God.

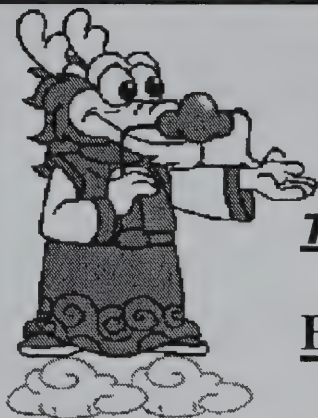

Dad & I will always support you in whatever you choose to do in life.

Dare to dream, Kens, and remember that with hard work and the love of God you can accomplish anything.

We love you.

Mom & Dad

## Time Will Never Change the Love We Share as Sisters

*"To my sister Rachelle Combs on her graduation.  
I am very happy for you and love you".*

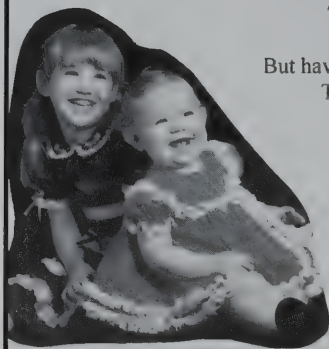

Time has changed our secrets and the pigtails in our hair;  
It has changed the silly arguments and the giggles that we shared.  
It has changed our childish happiness to grown-up make-believe,  
And leaving us with little else, it has slowly changed our dreams...

Time has come along and changed the essence of our world;  
Then finally and silently, it has changed the little girls.  
But having taken away the dreams and the simple things we shared before.  
Time has led us to the lasting things we need each other for...

Memories of moments that were made for us to share,  
The crazy laughter that's somehow always there,  
The hidden corners of our lives only we will ever know,  
And the love that becomes deeper and sweeter as it grows.

Time changes many things and some dreams come apart,  
But nothing can reach or change  
The love for you  
That lives within my heart.

Love always, your sister Ashley

### I Hope You Dance

(written by Mark D. Sanders, Tia Sellers)

I hope you never lose your sense of wonder  
 You get your fill to eat but always keep that hunger  
 May you never take one single breath for granted  
 God forbid love ever leave you empty handed  
 I hope you still feel small when you stand beside the ocean  
 Whenever one door closes, I hope one more opens  
 Promise me that you'll give faith a fighting chance  
 And when you get the chance to sit it out or dance  
 I hope you dance  
 I hope you dance  
 I hope you never fear the mountains in the distance  
 Never settle for the path of least resistance  
 Livin' might mean takin' chances but they're worth takin'  
 Givin' might be a mistake but it's worth makin'  
 Don't let some hell bent heart leave you bitter  
 Give the heavens above more than just a passing glance  
 And when you get the chance to sit it out or dance  
 I hope you dance . . . I hope you dance  
 I hope you dance . . . I hope you dance  
 (Time is a wheel in constant motion  
 always rolling us along. Tell me who  
 wants to look back in their years and  
 wonder where those years have gone.)  
 I hope you still feel small when you stand beside the ocean  
 Whenever one door close, I hope one door opens  
 Promise me that you'll give faith a fighting chance  
 And when you get the chance to sit it out or dance  
 Dance . . . I hope you dance  
 I hope you dance . . . I hope you dance  
 I hope you dance . . . I hope you dance

I LOVE YOU WITH ALL OUR HEARTS  
 MOM AND DAD

Class of 2002  
Congratulations!!

Even before you were born  
I knew from the start  
You would be extra special  
I knew this in my heart

Time passes quickly, this is known  
Now I turn around, and "Oh, how you've grown!"  
I'll never forget how you laughed at Piglet on the Blistfully Day  
And while watching sad movies you used "blankee" to wipe your tears away

For years you had "blankee" and were holding my hand  
Then before I knew it, look where you stand.

As you graduate today & in each & every step  
My hope for you is wisdom, guidance & protection  
As you go along your way, I wish never a rejection

But just in case you stumble  
My love is always with you  
Even though you're no longer a child in my care  
Remember: Mom will always be there

You will be anything you want to be, "Bubble"  
Remember this Tara, if you stay out of Trouble!!

Love, Mom & Brother"

## A True Friend

Is one who understands where you have been,  
 Accepts who you have become  
 And loves you unconditionally as you are.  
 He does not wish you 'luck' as you step out into the unknown...  
 He walks into the world by your side.  
 He will not offer distractions,  
 Nor easy advice in your time of need...  
 Instead he will pray for wisdom, born of compassion,  
 And a willingness to take your pain upon himself.  
 Such a friend will always speak of you when you are not present,  
 As though you were.  
 And though he may not always share your sunny days,  
 He will always be there to help you through the stormy ones.  
 IT has been well said that there is no greater love than this...  
 For a true friend does not take life from you,  
 He gives you his own.

### The Most Beautiful Smile

When you were born I looked down at you and all I could see was a great big smile. Now I look up to you and still see that same great big smile. You have brought such joy to our lives, and the lives of others. Your kind ways and gentle heart has filled us with much pride. Your influence reaches further than you could possibly know. As you go out into the great big world at times it may seem difficult, but remember we will always be here for you no matter what. Within you lies the power to make your life what ever you want it to be. Keep dancing and never never stop smiling. So go out there and make the best of it. May God Bless your journey into adult life.

## "CONGRATULATIONS DAVID!!!"

Once small in stature but no longer so, David Gaines was named after King David in the Bible who triumphed and overthrew the mighty Goliath. You have earned both physical and inward strength through perseverance. As you stand on the threshold of adulthood, pursue not only greater earthly knowledge, but also true wisdom. Trust in the Lord with all your heart, and learn not to ignore our understanding and He shall direct your path. Your family stands proudly behind you as you go forth to accomplish your goals. May the Grace of God be with you always.

## NO FAILURE OR DEFEAT

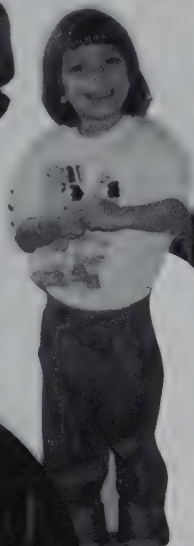

WHEN take this honey for the bitterest cup,  
There is no failure save in giving up.  
No real fall so long as one still tries,

For seeming setbacks make the strong man wise.

There's no defeat in truth, save from within,

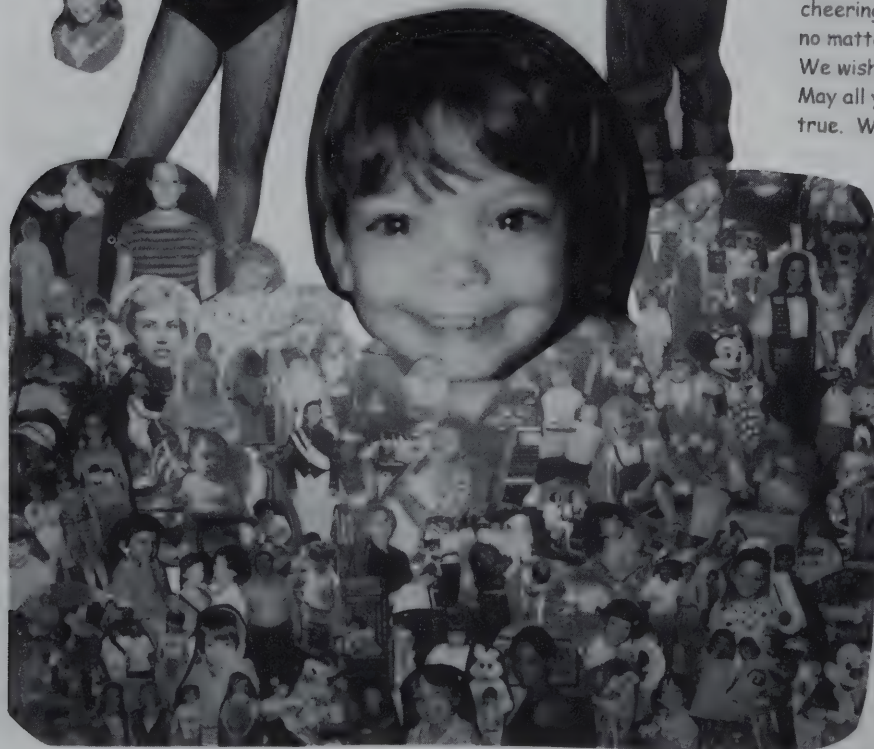

Unless you're beaten there, you're bound to win.

## NATALIE

We are very proud of you and your accomplishments. We will always be cheering for you in all of your endeavors; no matter how many miles separate us. We wish you all the best life has to offer. May all your hopes and dreams come true. We will always love you.

## WHY GOD MADE LITTLE GIRLS

*God made the world with its towering trees;  
Majestic mountains and restless seas,  
Then paused and said "It needs one more thing."*

*"Someone to laugh and dance and sing ...  
To walk in the woods and gather flowers  
To commune with nature in quiet hours."*

*So God made little girls  
With laughing eyes and bouncing curls  
With joyful hearts and infectious smiles  
Enchanting ways and feminine wiles,*

*And when He'd completed the task He'd begun  
He was pleased and proud of the job He'd done  
For the world, when seen through a little girl's eyes  
Greatly resembles Paradise.*

With all of our love to our little girl as you reach  
for paradise. Just remember, when you get the  
chance to sit it out or dance, we hope you dance!!

Love,  
Craig, Morgan, Ian, Granny Jean, Mimi, Papa and  
all of your aunts, uncles, and cousins.

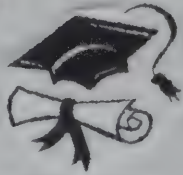

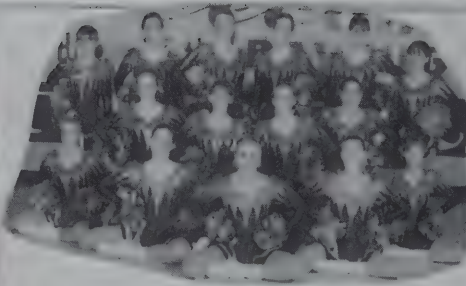

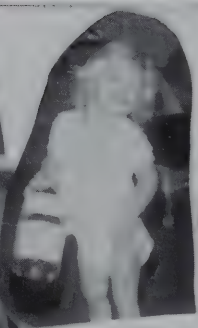

*I am very, very proud of you and your accomplishments. As a very talented and resourceful young lady, you have the ability to achieve anything in your imagination. Always strive to be the very best at whatever you do, and always carry that infectious smile.*

I love you,  
YOUR MOM

we turned around and you were finishing elementary school.  
We turned around and Jr. High was suddenly just a memory.  
Today we turned around and your high school years will soon be ending.  
We have watched you grow from a ponytail duckling into a beautiful,  
graceful swan.

Dearest Emily, A lot of prayers, a late night phone call and you came into our lives. Big brown eyes, a dazzling smile, 8lbs of pure dynamo! It's been a merry-go-round, a zoo, but most of all, a blessing! You've worked hard, overcome obstacles and now you've made it! We always knew you would. Go forth and conquer your dreams! We would like to take this time to tell you how proud we are of you and how much we love you! We are so blessed to have you as our daughter. We thank God everyday for the wonderful gift he has given us. God blessed you with a lot of talents: leadership, intelligence, beauty, and beyond everything else a wonderful personality.

You have the love of God in your heart. Your competitive spirit is beyond what anyone could imagine. You strive to do the best you can at everything you do, so when life gets confusing just remember who the author of confusion is!

You are one of God's most precious gifts, and just think, He gave YOU to us! We love you with all our hearts, and when you feel down "look up," but when you feel up don't "look down."

Seek God's guidance in all you do and He will never lead you down the wrong path.

#1 Son,

The instant you were born, I counted each finger and each toe- twice. You had 20 of each! You were three before I finally did the math.

As I recall you didn't say much to anyone when you were born, but I covered for you. I told the nurse you were from France and you had just moved to this country. She replied "Qui, Qui" and you did!

What fun,  
Daddy

TO JOHNNY HOZEY,

Dear Johnny,

You are the best big brother a little brother could ever hope for.

Johnny Hozey Jr (The Sr.),

I have watched as your fierce determination along with your quiet confidence have given both your family and your school reason to be proud. As a student/athlete, you have demonstrated true school spirit. Great job!

The qualities that I admire most about you Johnny, are your open mind and your gentle heart. These are very special gifts God has given to a very special young man.

Use what you have learned to learn more. Take what you have been given and give back. Make each of your days a priority for time is a most precious thing. Challenge your dreams to come true. But most importantly, put some **LOVE** into everything you do. The rest is easy.

Sorry I never told you  
All I wanted to say  
And now it's too late to hold you  
'Cause you've flown away, so far away

Never had I imagined  
Living without your smile  
Feeling and knowing you hear me  
It keeps me alive

And I know you're shining down on me from heaven  
Like so many friends we've lost along the way  
And I know eventually we'll be together  
One sweet day  
Eventually I'll see you in heaven

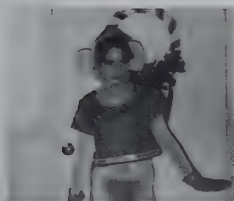

Darling, I never showed you  
Assumed you'd always be there  
I took your presence for granted  
But I always cared  
And I miss the love we shared

And I know you're shining down on me from heaven  
Like so many friends we've lost along the way  
And I know eventually we'll be together  
One sweet day  
Eventually I'll see you in heaven

Although the sun will never shine the same  
I'll always look to a brighter day  
Lord I know when I lay me down to sleep  
You will always listen as I pray

And I know you're shining down on me from heaven  
Like so many friends we've lost along the way  
And I know eventually we'll be together  
One sweet day

Sorry I never told you

## In Memory of The Lost Loved Ones From The Terrorist Attacks

On September 11, 2001, a terrible incident occurred which would change the face of history. At approximately 8:15 am, the North Tower of the World Trade Center Complex in New York City was hit by a commercial passenger plane. Roughly eighteen minutes after, the second tower was hit by another plane. Not long after that the Pentagon was struck by a third airliner. "This terrible act of cowardliness," as described by President Bush, left thousands dead and even more injured. The students and Faculty of

Bay High School keep the victims and their families in our minds and in our hearts.

Even though we were not physically a part of the terrorist attack, it still has had an effect on everyone in the United States. Our fellow citizens lost their lives because of the cowardly acts of the terrorists. Bay High JROTC and other students, faculty, and staff members showed their sympathy on September 14, 2001, as the student body of Bay High stood in silence for several moments while the JROTC Color Guard presented colors and saluted the flag at "half staff" in memory of all the victims involved in the terrorist attacks.

We showed our gratitude to the several thousand rescuers searching for missing people and helping aid others. We greatly appreciate the Firemen, Policemen, FBI members, Nurses, Doctors, and other helpful volunteers who contributed their time throughout the search.

We also need to thank all of the Firemen and rescuers who lost their lives trying to rescue the victims of the terrorist attacks. These brave men were going into the World Trade Centers while everyone else was rushing to get out. Ladies and gentlemen... these are true heroes of the September 11, 2001 terrorist attack. We at Bay High will continue to keep these several thousand innocent victims and family members in our prayers.

**“Crying America” By: Crystal Leslie**

“My piece shows the sorrow in some people after the World Trade Center tragedy happening. It also shows the patriotism that soon followed, despite the recent lack of it at that time.”

WOW!!! That was a full two hundred full pages and we barely feel like we scratched the surface of everything that has transpired this year. This has truly been an eventful school term, and we hope that when you all reflect back upon these pages here you will be touched by fond memories of the good times that we have shared, and perhaps prompted towards a somber look into the future for that which we now are called upon to accomplish. The tragic occurrence of September 11th and the War on Terror in which our country and our allies are now engaged, have changed the world that we once knew in ways that we can perhaps not presently imagine. And though we know that as a nation we must move forward, we now must realize that much of this responsibility will rest upon the shoulders of our generation, because we are the leaders of tomorrow.

The editors, along with the staff, have worked very hard to put together this annual. This task has not been an easy one, as we have had to develop and implement new policies and procedures, learn new computer software programs, train new initiates, and even train a new sponsor. But in the long and the short of things, through all the headaches and hardships we somehow managed to smile and laugh, and still accomplish the task at hand. We truly hope you will enjoy our work. And as always we challenge next years staff to "show us up" and continue to make the Tiger Yearbook better each and every year.
